

Serial No.: Continuation of 10/232,749  
Art Unit: 2632

Attorney's Docket No.: BS02-209-CON  
Page 4

### REMARKS

This application is a continuation of U.S. Patent Application Serial No. 10/232,749, filed September 3, 2002.

Claims 2-20 have been canceled. Claim 1 will be pending herein upon entry of this Preliminary Amendment. A supplemental Preliminary Amendment will be filed in due course to prepare the application for examination on the merits.
